

# Betty Mutwiri

Executive Leadership Coach & Consultant

Empowering leaders and leadership teams to transform and adapt to change through individual/group coaching, leadership development and fostering inclusive cultures.

## About Betty

Betty specializes in Executive/Leadership Coaching, Coach Training, Change Leadership, Emotional Intelligence, Cultural Intelligence and EDI. She is privileged to coach leaders in health, education and private industry nationally and internationally. Betty is a systems thinker and a change agent, who leverages a strength-based approach to foster positive change. Her effectiveness as a leadership coach, consultant, trainer and international conference speaker is grounded in her lived experiences as a senior leader and organization effectiveness practitioner over the past two decades.

Betty has notable accomplishments that have positively influenced inclusive leadership across all sectors.

In 2012, as the Director of Learning and Leadership and Patient and Family Centered Care, she led the development of Saskatchewan Leadership Program (SLP), a transformational leadership program for health care leaders across Saskatchewan. She was awarded the ICF Prism Award for successfully creating a coaching culture through the SLP initiative.

As the Director of HR Strategy Development at Saskatchewan Polytechnic, she led the design and implementation of EDI, Wellness and Leadership development strategies.

As the inaugural Executive Director for Leadership Saskatoon, she left a legacy of a thriving multi-sector community leadership program. She is the proud recipient of the 2021 Don Ravis Leadership Saskatoon Alumni Award for embodying the values of inclusion, collaboration, lifelong learning and citizen engagement in her leadership roles in the community.

Betty believes in the catalytic power of coaching to develop innovative Insights that Influence new learning and lead to aligned Impact. As the Founder and Principal of BM Leadership Coaching & Consulting Inc she serves leaders and leadership teams as a coach or consultant on EDI, leadership development, change management and team effectiveness.
